### Tactics and information:

Some good fishing to be had at Fernworthy at the moment. Last week produced plenty of fish, some of a good size up to 2lbs and lots of fish that got away! The rainfall and cooler weather has really led to some enjoyable sport particularly on dry flies with the majority of last weeks fish being caught off the top.

Mr C Beney caught the most fish last week with 6 on his visit up to 1lb 4oz. fish were caught on a Pheasant Tail Nymph, Kate McLaren and Bibio.

Mr A Burke caught 4 fish to 2lbs in weight on a Gold Ribbed Hairs Ear just to the left of the permit hut.

David Gervers managed 5 fish to just under 1lb on sedge hogs, coch y bondhu and pearl dabblers.

Mr R Coward from Salisbury didn't land any fish but lost 5 and said 'never mind real good fun' which is great to hear as we all know its frustrating to lose fish. The excitement of hooking a fish is sometimes the best bit!
