

ROADFORD WEEKLY FISHING REPORT
WEEK ENDING: 23rd September 2018

Just the one return for Roadford last week with Dean Boucher catching and releasing 7 brownies in a quick morning session.

Dean didn't have any luck in shop Inlet and headed around to Grinnacombe where he found plenty of fish and steady fishing. Dean managed a fish to 1lb on a Soldier Palmer and then had fish on Bibio and Black Tadpole with the fish giving a cracking fight once hooked. Dean also had 5 perch. At 11am Dean headed home after some enjoyable fishing.

Lareg fish have been showing themselves in recent weeks and I predict that a really large fish will be caught before the season finishes in a few weeks time. With only a few weeks left, get down to Roadford for the chance of something special before its too late and the winter is upon us!

The weather looks great for the next two weeks!

Boats for Roadford must be pre booked on 01409 211507
