

SIBLYBACK WEEKLY FISHING REPORT
WEEK ENDING:02 December 18

Good Morning, here is this week's Catch Report from Siblyback Lake.

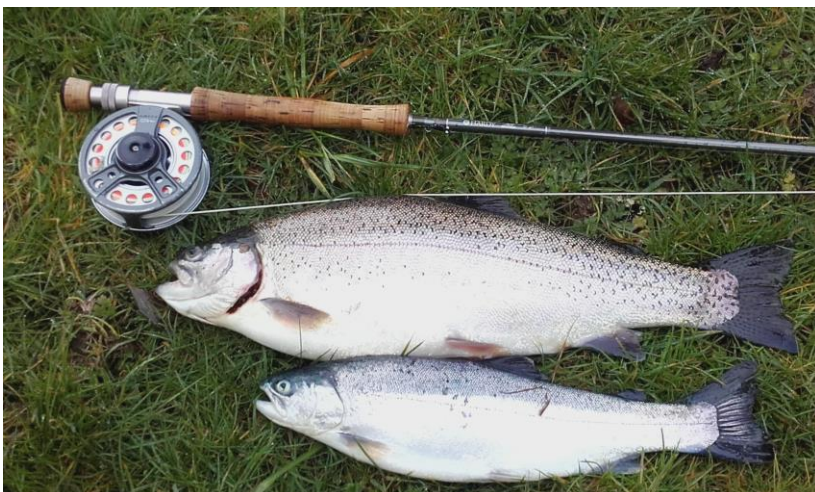

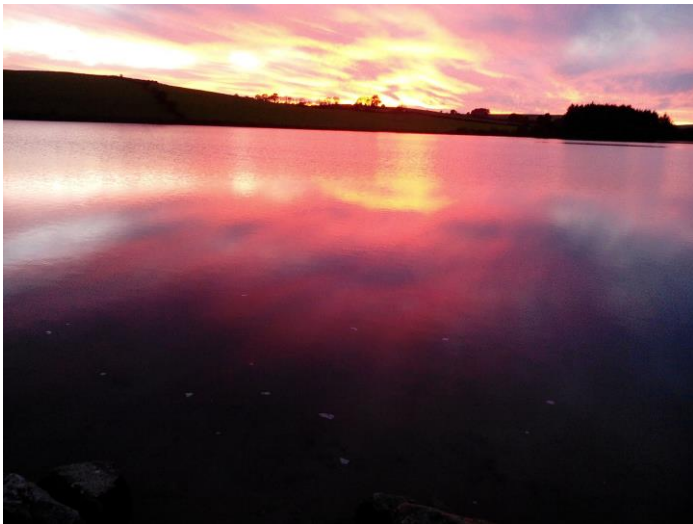

Where has the year gone.

Not much action up at the lake this week. The 1st of December marks the end of the season here at Siblyback. Giving the team time to take stock and prepare for next season with is looking to be bigger and better than ever. So watch this space.

So a look back and what a season it has been with some great events and competitions, from the start of the Siblyback fly fishers Association (SFFA) that organised some great events and are looking at even more on for next season to some rather hot weather that was great for a holiday but not so great for fishing in.

We Look forward to the next season and the great fishing that it will bring and we hope to see you all at the lake soon.

From all the team have a good Christmas and a happy new year
