

KENNICK WEEKLY FISHING REPORT
Week ending 25th August 2019

Boats are still the way to go at Kennick at the moment with M Ure catching 7 fish from a boat in the central water. The hot weather returned last week making things challenging once again. Why not try our 3 hour anytime ticket for £13 which will allow you to take advantage of the cooler early mornings or late evenings.

Don't forget to get your entries in for the Best of the Best final which is on September 29th at Kennick. More details here:

GREAT NEWS FOR KENNICK ANGLERS.....We are only stocking fish of 2lbs and over this season. You will catch a few overwintered fish which will be below the 2lb mark at the start of the season and after a period of time fish will reduce in size but they are being stocked at 2lbs or more.

Please send me in any pictures you might have of the fishery or fish you have caught or anything interesting.
