

## Stithians Lake catch report, week ending 8th September 2019

Hi all,

Hope you have had a good week.

Another challenging week up at the lake, but seemingly less rudd caught and 6 nice browns! Well done to Bob Lambourne and Mike Freeman who have had good success with dry flies catching browns in Pipe Bay and North Bay this week.

Some good news is that we will be having another stocking from Milemead this week, which should give the fishing a boost for the last few months of the season. It will be on Thursday 12<sup>th</sup> at the boat park. We are just waiting on a confirmation of the time from Milemead, but will make sure we let Mike from CAST know as soon as possible so he can circulate it. Hopefully a few of the newly stocked fish will make an appearance at the CAST competition on Sunday!

As always please get in touch if you have any questions or comments,

Have a great week,

Thanks  
Beth
