

BURRATOR CATCH REPORT WEEK ENDING 1st **September 2019**

Mixed returns, some saying top of the surface, others saying deeper water with long leader and damsel!

For the coming weeks this is the perfect opportunity to use a 3 hour anytime ticket for just £13. You can choose what 3 hours of the day you fish! Early mornings and evenings will be best. The brownies will certainly be catchable if the Rainbows and Blues are not showing.

The water level is at 59% so plenty of back casting space, however ***PLEASE KEEP AN EYE OUT FOR DEEP MUD*** around some areas of the banks.

Please do send me your reports and any photos you have of your trip to Burrator to –

Tight lines and see you on the bank!
