

**ROADFORD WEEKLY FISHING REPORT**  
**WEEK ENDING 1 September 2019**

Duncan Kier and Mike Stone had a cracking day last week catching 22 fish up to 2lbs to their boat, which were all returned. Black flies are usually the go to flies for Roadford so make sure you have some with you!

Boats can be booked on 01409 211507.

We have been allowing perch fishing during August which has been quite popular. Fish have been caught to 3lbs in size on a catch and release basis only. We will be extending this offer until the end of September. All the details are here:

If your fly fishing there are a few perch showing now so keep on the move if you find any.

**NEWS FOR ROADFORD ANGLERS.....**

We have doubled our stocking into Roadford this season. Nearly 4000 Brownies up to 1lb 8oz were stocked from Torre Trout Farm. This will provide some great fishing for this season and beyond so Roadford is well worth trying.

Great news for Roadford anglers – we have two brand new Coulam boats and we do have an engine for you to hire but your welcome to bring your own electric outboard. If you would like to book a boat please call 01409 211507. We have also been busy clearing bank spaces over the winter so there is much more areas you can fish from and explore.
