

Stithians Lake catch report week ending 15th March 2020

Hi all,

Hope you've had a good week. It was great to see people up fishing this week and such a good turnout for the first CAST club competition of the season yesterday.

Well done to John Henderson who won the competition with a bag of five fish totalling 6lb 15oz, Graham Chegwidden who came second with two fish including a nice blue, and Paul Wallace who came third with a 2lb fish.

A few bigger fish came out this week – five over 2lb, including a 2lb 12oz rainbow caught by Roger Marks in Pub Bay using an orange lure.

Lures and wet flies still seem to be fishing the best, and it seems like quite a few people are using ones tied by John Henderson who seems to have found just the right fly for this time of year!

We have another stocking by Milemead planned in for this week on Weds 18th March at around 2.30pm at the boat park by the watersports centre if anyone is interested to come along and see the fish going in. Hopefully we might be able to organise for the following load to go in at Mossops.

As always please get in touch if you have any questions or comments,

Have a great week,

Thanks
Beth
