

Fernworthy weekly fishing report
Week ending 15th March 2020 – opening day!

Tactics and information:

Opening day at Fernworthy was very quiet – no anglers, pretty cold and not much happening! Lets pray for some better weather for the week ahead!

We stocked Fernworthy last week with the usual brownies from Torre Trout Farms. There were fish ranging from 7 inch up towards the 2lb mark and they were healthy, well finned and ready to snatch your flies!

You can get your permits on site or from our website www.swlakesfishing.co.uk
