

## Fernworthy weekly fishing report

### Week ending 2<sup>nd</sup> August 2020

Some good fishing was had last week at Fernworthy with the rod average over 2 fish per person. There was some nice fish caught to just under 2lbs with brass head daddy, black cruncher and black winged muddlers being the best flies.

Matt Baines was the most successful angler with 8 fish to just under 1lb using his black cruncher size 14 from the Brownhills area of the lake.
