

Fernworthy weekly fishing report

Week ending 4th October 2020

Another quiet week at Fernworthy – just the two returns that yielded 2 fish. Lowton area was the best area with a black gnat the successful fly.

Only a week left to go to Fernworthy this season.

Our online catch return facility is located here: <http://trout.swlakesfishing.co.uk/catch-return/>

This year we stocked Fernworthy with the same amount of quality brownies from Torre Trout Farms. There were fish ranging from 7 inch up towards the 2lb mark.
