

## **Fernworthy weekly fishing report** **Season ending 12<sup>th</sup> October 2020**

The season comes to a close for our brown trout fishing at Fernworthy. We re-open on 15<sup>th</sup> March 2021.

Here is how the last 8 days of this season fished:

8 returns received produced 12 brownies – a really strange season at Fernworthy. Some good weeks of fishing but not the usual consistency we see with the fishing here.

Kevin primmer and Matt Baines were most successful last week with 4 and 3 fish respectively with a sedgehog being the best fly.

Bibo's also produced last week with Charlie Beney catching 3 fish to just under 1lb.

I would like to say a huge thankyou to our wonderful bailiff team at Fernworthy – they do a terrific job looking after the lake so thankyou Geoff, Steve and David.
