

KENNICK WEEKLY FISHING REPORT

WEEK ENDING 18th October 2020

Some great catches last week at Kennick particularly the weekend just gone.

- Malcolm Ure – 18 fish (17 Rainbows and 1 brown) by boat using boobies on the 17th
- Richard Berrisford – 12 fish (5 Rainbows and 7 browns) using an orange head buzzer caught by boat on the 18th

The boat fishing has been most productive but there have been plenty of fish caught by bank anglers too. The fish have been around sycamore wall and clampitts for the bank anglers and central water for boat anglers. Damsels, boobies, buzzers, diawl bachs and daddy's were the best flies.

Should be some good fishing for the week ahead.

In case you missed last weeks report:

PENINSULA CLASSIC REPORT:

Congratulations to Andy Gooding who has won the Kennick Peninsula classic for the fourth year running. Andy's five Rainbows for 10lb 5oz was enough to hold off 15 other anglers who competed. Andy caught three fish on a Damsel and two on a black and green lure. The fish were scattered at different depths with some being caught near the surface and others near the bottom of the lake.
